

Launch Virtual Academy
2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Launch Virtual Academy
Street	1411 27th Street
City, State, Zip	San Diego, CA 92154
Phone Number	619-628-2650
Principal	Jesus Ulloa-Higuera
Email Address	jesus.ulloa-higuera@sweetwaterschools.org
School Website	https://www.launchvirtualacademy.org/
County-District-School (CDS) Code	0140939

2023-24 District Contact Information

District Name	Sweetwater Union High School District
Phone Number	619-691-5500
Superintendent	Moises Aguirre, Ed.D
Email Address	moises.aguirre@sweetwaterschools.org
District Website	www.sweetwaterschools.org

2023-24 School Description and Mission Statement

Launch Virtual Academy provides a safe, flexible, accessible, and equitable online learning community that fosters meaningful relationships and collaboration among students, families, and teachers through a purposeful intent to ignite curiosity, develop self-directed innovative thinkers and create responsible multiverse citizens.

Launch Virtual Academy staff holds the following core beliefs:

- All students can be successful learners in an online setting.
- Students are capable of working with integrity.
- Students gain equity and accessibility through flexibility of schedule and academic opportunities.
- We can build community and connection in an online setting.
- Course design is valuable and integral to a strong inline learning experience.
- Students will thrive in an environment of trust.
- Students gain their voice and purpose in a collaborative environment.
- Students can meet personal educational goals outside the parameters of a conventional/comprehensive educational setting.
- Students can learn to translate their creativity and work ethic into job readiness skills.

Launch Virtual Academy (LVA) is the newest school of Sweetwater Union High School District (SUHSD). SUHSD is located in the southwestern part of San Diego County between downtown San Diego and the International Border with Mexico, the district serves the communities of Chula Vista, Imperial Beach, National City and the San Ysidro portion of San Diego. During the 2021-2022 school year Launch Virtual Academy became a WASC accredited school. During the 2022-2023 school year Launch Virtual Academy became A - G certified, College Board and NCAA certified.

Launch Virtual Academy opened its virtual doors initially as a program in 2020-2021 school year during the pandemic serving 246 students. It had a staff of 10 teachers, 1 counselor, 1 administrative person, 1 shared school psychologist and two shared administrators overseeing its implementation. This school year, Launch Virtual Academy has become an official school with 641 students, 25 teachers, 1 full time counselor, 2 shared counselors, 1 shared school psychologist, 1 assistant principal, and 1 school principal. Launch Virtual Academy's staff is housed at different SUHSD schools. The school serves 7th through 12th grade students in an online environment following a course-based independent study model providing course instruction by credentialed teachers in the subject matter. Launch Virtual Academy operates on a quarter system with students taking 3 classes per quarter. Each Launch Virtual Academy class is equivalent to a semester-based class at a comprehensive SUHSD site. As a result, Launch Virtual Academy students can earn the same (or more) amount of credits as if they were enrolled at a brick and mortar school. For the 2023-2024 school year, LVA is equipped to serve 800 plus students in grades 7-12. Launch will employ over 40 teacher, 2 full time counselors, a student program facilitator, 1 shared school psychologist, 1 assistant principal, 1 ASB assistant principal and 1 school principal.

Launch Academy students come from within the boundaries of SUHSD schools. 76.2% of students are Hispanic/Latino; 52.6% of students qualify for the Free and Reduced Lunch program; 23.9% are English Learners, 9.3% are students with disabilities, and 0.8% are foster/homesless. The student population is 56.3% male and 43.4% female. Launch Virtual Academy serves a grade-balanced student population at about 10-20% per grade level: 6.9% 7th graders; 16.% 8th graders; 15% 9th graders; 19.3% 10th graders; 20.5% 11th graders; 21.0% 12th graders; and 1.2% 13th grade students.

The concept of the school was developed through a district committee which met over the timespan of five years. One of LVA's impetus was to compete with the proliferation of charter schools within the community of SUHSD. The committee's goals were: one (1), to create a school that would deliver a quality educational program using a blended learning model of online coursework and direct instruction via "Live" Academic biweekly videoconferences; two (2), provide families with flexibility to fit school within a schedule that works for them; and three (3), to provide students with activities normally found in traditional

2023-24 School Description and Mission Statement

schools such as athletics, visual and performing arts, and STEAM by allowing students to concurrently participate at the residence school.

Launch Virtual Academy utilizes CANVAS as its main student Learning Management System (LMS). In addition, teachers utilize other online resources to complement the courses curriculum such as APEX Learning, Delta Math, Khan Academy, Pear Deck, Calendly and others.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers		
Misassignments		
Vacant Positions		
Total Teachers Without Credentials and Misassignments		

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver		
Local Assignment Options		
Total Out-of-Field Teachers		

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)		
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)		

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Year and month in which the data were collected		November 2022	
Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Textbooks and instructional materials were adopted consistent with the textbook cycle 2010-2011. English Language Arts was adopted 2021-2022. Textbooks for English Language Development (ELD) were adopted	Yes	

	consistent with the textbook cycle in 2017-2018. High school texts were selected from the state adopted list. Textbooks were approved by the Board of Trustees as being standards-based. For the adopted textbook list go to http://curriculum.suhsd.k12.ca.us/		
Mathematics	Textbooks and instructional materials were adopted consistent with the textbook cycle 2014-2015. High school texts for Integrated Math (IM) 1, IM 2, IM3, were approved by the Board of Trustees as being standards- based. Textbooks for Pre-Calculus with Trigonometry, Pre-Calculus, Calculus and Statistics were adopted consistent with the textbook cycle in 2015-2016. These books were approved by the Board of Trustees as being standards- based. For the adopted textbook list go to http://curriculum.suhsd.k12.ca.us/	Yes	
Science	Textbooks and instructional materials were adopted consistent with the textbook cycle 2006-07. Textbooks for AP Biology were adopted consistent with the textbook cycle 2016-2017. High school texts were selected from the state adopted list. Textbooks were approved by the Board of Trustees as being standards- based. For the adopted textbook list go to http://curriculum.suhsd.k12.ca.us/	Yes	
History-Social Science	Textbooks and instructional materials were adopted consistent with the textbook cycle 2006-07. Textbooks for World Geography were adopted consistent with the textbook cycle 2014-2015. Textbooks for AP US History were adopted consistent with the textbook cycle 2016-2017. High school texts were selected from the state adopted list. Textbooks were approved by the Board of Trustees as being standards-based. For the adopted textbook list go to http://curriculum.suhsd.k12.ca.us/	Yes	
Foreign Language	Textbooks and instructional materials were adopted consistent with the textbook cycle 2016-2017. High school texts were selected from the state adopted list. Textbooks were approved by the Board of Trustees as being standards-based. For the adopted textbook list go to http://curriculum.suhsd.k12.ca.us/	Yes	
Health	Textbooks and instructional materials were adopted consistent with the textbook cycle 2016-2017. High school texts were selected from the state adopted list. Textbooks were approved by the Board of Trustees as being standards-based. For the adopted textbook list go to http://curriculum.suhsd.k12.ca.us/	Yes	
Visual and Performing Arts	Textbooks and instructional materials were adopted consistent with the textbook cycle as follows: 1998-1999 art and photo; 2007-2008 instrumental/vocal music, and theatre. Middle school texts were selected from the state adopted list. Textbooks were approved by the Board of Trustees as being standards- based. For the adopted textbook list go to http://curriculum.suhsd.k12.ca.us/	Yes

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)						
Mathematics (grades 3-8 and 11)						

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female

2022-23 Career Technical Education Programs

The Sweetwater Union High School District (SUHSD) offers eleven out of the fifteen Career Technical Education (CTE) industry sectors. Across all high schools within the district, our CTE programs offer a series of multiyear courses that seamlessly blend essential academic knowledge with technical and occupational expertise. This unique integration serves as a pivotal pathway for students, guiding them toward diverse post-secondary options and alternative and prosperous career paths.

CTE is dedicated to encouraging academic excellence, encouraging career exploration, refining career-ready skills, and developing leadership potential. Our primary goal is to equip students with the tools and experiences essential for successful transitions into both higher education and the professional realm. This preparation unfolds through meticulously crafted high-quality programs, where students receive comprehensive instruction encompassing the fundamental principles of college and career readiness: communication, collaboration, problem-solving, professionalism, job shadowing, internships, business partnerships and receiving industry certification(s). Additionally, CTE pathways integrate Common Core State and CTE standards, intertwining them with industry-specific knowledge and skill sets.

Launch Virtual Academy offers programs in four industry sectors: Arts, Media & Entertainment (Game Design & Integration and Design, Visual, and Media Arts), Business and Finance (Business Management), Information and Communication Technologies (Information Support Services and Software and Systems Development) and Public Service (Public Safety)

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 7	41%	39%	40%	40%	42%
Grade 9	37%	39%	37%	36%	37%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

During the 2020 - 2021 school year Launch Virtual Academy was a new program. Parents attended new parent orientation meetings and onboarding meetings with their students. During the 2021 -2022 school year Launch Virtual Academy become an accredited school. Launch now offers parents: new parent orientation meetings, onboarding meetings, Lunch with Launch (in English and Spanish), School Site Council and the English Language Advisory Committee. Also parents have opportunity for 1 on 1 support with Launch support, especially for Canvas.

Launch currently offers parents: new parent orientation meetings, onboarding meetings, Lunch with Launch (in English and Spanish), School Site Council and the English Language Advisory Committee. Also parents have opportunity for 1 on 1 support with Launch support, especially for Canvas. LVA has also offered financial literacy nights for parents, Senior and College nights, financial aid parent nightes, and SDSU and SWC parent nights. Launch also has a yearly Spring Community Event for parents and students.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Dropout Rate									
Graduation Rate									

2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

2023-24 School Safety Plan

During the 2020 - 2021 teachers at Launch were at two district sites (CPM and SOM) with the administration offices being located at Research and Evaluation. Launch teachers followed the Safety Plan of the sites they were on. During the 2021 - 2022 school year, Launch has grown to 12 different district facilities (SOM, CVM,BVM,PDC Office, CPM,HTM,ELM,Palomar, MVA,HTH,OLH, and Athletics). Launch teachers followed the Safety Plan of the sites they are on. Also, teachers fill in a daily check in/check out form so that LVA admin know where all staff is.

During the 2022 - 2023 school year, Launch has grown to 10 different district facilities (SOM,CVM,BVM,CPM,HTM,Palomar, MVA,HTH,OLH, and Athletics). Launch teachers followed the Safety Plan of the sites they are on. Also, teachers fill in a daily check in/check out form so that LVA admin know where all staff is. LVA is working on developing a safety plan with CPM since teachers are separate from the main campus.

During the 2023 - 2024 school year, Launch has condensed to 8 different district facilities (SOM,BVM,CPM,HTM,MVA,HTH,OLH, and Athletics). Launch teachers followed the Safety Plan of the sites they are on. Teachers are on site email lists at the site they are housed. Also, teachers have an optional daily check in/check out form they may fill in, so that LVA admin know where all staff is. LVA uses the "WhatsUp" app to alert teachers of emergencies.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
